How BVU Serves Nonprofits

Build Stronger Boards

- BVU refers business professionals to serve on nonprofit boards, committees, and young professional groups through the Board Matching and Linking New Leaders programs.

Strengthen Nonprofit Governance and Management

- Board Governance Consulting, Leadership Succession Consulting and Strategic Planning Consulting for board and staff leaders of nonprofit organizations.
- Customized Board Trainings to address particular and timely issues.
- Project-Based Consulting connects business professionals to nonprofits where they use their professional expertise to deliver on high-priority projects.

Education, Resource Referral and Networking

- Over 40 trainings and networking events that address nonprofit governance and management topics.
- Resources on the nonprofit sector, volunteerism, and corporate community involvement.
