Connecting and Belonging: Leadership Imperative for a Thriving Culture | Tickets \$79/PP

Our hybrid working world challenges us to reimagine approaches to connect with each other. Are you:

- Thinking about how to engage with associates who have a variety of working arrangements?
- Concerned about your employee experience?

This dynamic program explores best practices to lead and be a good team member in all working arrangements to achieve a more connected and thriving culture. Take away new models and approaches to deepen peoples' feelings that they belong to achieve the culture you desire.

April 11 | 8:30AM - 12:30PM | *Optional* Stay for Lunch and Meet with the Coaches 12:30-1:45PM

Leader's Coaching Clinic | Tickets \$129/PP

Upgrade your coaching capabilities as you coach "live" in small groups. Distinguish between the types of coaching for performance and feedback; and practice techniques to engage your team members. If you have attended our popular Leader as Coach program, this is the opportunity to deepen your skills with practice.

May 10 | 9:00AM - 4:30PM

Contagious Emotional Intelligence | Tickets \$179/PP

Improve your leadership and your well-being through EI. Take the Emotional Intelligence Quotient 2.0 Assessment and go deeper into how you show up for others. Emotional intelligence is contagious and can be developed. Examine your strengths, your blind spots, and create your development plan on areas of focus.

September 20 | 9:00AM - 4:30PM

Building Resilience for Peak Performance | Tickets \$79/PP

Our popular "Neuroscience of Self Care" goes live with a retreat to revitalize! A resilient leader is a more effective leader. Practice techniques to manage stress through evidence-based approaches in breathwork, therapy and nutrition. You will leave with approaches to sustain your well-being and share with your team.

October 25 | 12:30PM - 4:30PM
