

ABOUT US

BVU builds partnerships between Northeast Ohio's businesses and nonprofits, developing strong leaders and empowering everyone in our communities to make an impact.

Get started with a nonprofit assessment so we can **connect** you to volunteers and board members, **educate** your team on nonprofit best practices, and **consult** with your organization on major projects.

CONNECT

BOARD CONNECT

Referring business professionals to nonprofit boards, committees, and young professional groups through a thoughtful match-making and training process. In addition, our Minority Pipeline Initiative prioritizes nonprofits' growing need for board diversity.

SKILL CONNECT

Connecting business professionals to nonprofits, where they use their expertise and skills to deliver on high-priority projects.

VOLUNTEER CONNECT

Meeting the direct service needs of nonprofits through custom team projects for businesses, and through BVU's Volunteer Center, a free service opportunity platform.

EDUCATE

Each year, BVU hosts 25+ seminars, events, and multi-session workshops that address nonprofit governance & management topics, leadership skills, and more.

CONSULT

Designed to meet each nonprofit's unique needs, BVU's fee-based consulting services address key challenges and opportunities to produce transformative results. Our areas of expertise include strategic planning, board development, and much more.
